#### HOLSCHER WINS THE DIXIE,

RUMOR AS TO HIS SUPPOSED LAMENESS BRINGS HIS PARTY LIBERAL ODDS.

Bright Boy Is Disqualified from Place for Foul-Botanist Is Left at the Post and Hayman Claims Him.

Washington, D. C., Nov. 28.—The racing today was tame and without especial interest. The Dixie Stakes at one mile and three-quarters was the fea ture. Holscher appeared to outclass the others, but a rumor was spread broadcast that he was sore and lame and that his recent work was anything but encouraging. So he went out to 8 to 5, while Neme sis was the post favorite at 13 to 10. If Holscher was sore it was not apparent in his running, as he waited on Nemesis and Tayanes to the last quarter. then came on to win easily, while Tavannes disposed of the favorite in a drive. Holscher has been named overnight as a probable starter for the Washington Cup tomorow, but it is likely that he will be reserved for the Maximum Stakes at three miles to be run Saturday.

The meeting has been prolific in disqualifications and today Bright Boy was set back after running second in the second race. Bright Boy swerved badly in the stretch, crowding Sophie Carter against the rail and cutting Sally K., the favorite, off so sharply that Bilac was forced to pull her up. Sally K. was coming up next to the rail at the time and with clear sailing, would have been an easy winner. Botanist, backed into favoritism for the first race, would not break for Hagan and was left standing. He is a bad actor and always has to be led to the post. He was claimed by M. L. Hayman after the race for \$2,080.

George B. Hill will ship to New Orleans tomorrow He will take quite a serviceable string to the south ern tracks and should get his share of the winter

Trainer Al Weston will take a dozen horses belonging to Thomas C! de to New Orleans at the end of the current meeting.

# GOOD CARD FOR OPENING AT ASCOT PARK. Jonathan Handicap Is the Feature—Officials Anticipate No Interruption to the Meeting.

Los Angeles, Cal., November 28.—With the Jonathan Handicap as the feature of a good card the Los Angeles Jockey Club will launch its meeting at Ascot Park tomorrow afternoon. The meeting is scheduled to run ninety days. The officials are sanguine that there will be no deviation from the schedule, notwithstanding that they are yet to fight through the courts the vote by which the racetrack was taken into the corporate limits of the city, the laws of which forbid betting.

John Bullman, who spent the summer at the meetings on minor tracks, expects to be in the saddle during the Ascot Park meeting. Bullman has been "on the water wagon" for several months and those who saw him ride during the summer and fall say that he has returned to his old-time form. It is his hope that he will be able to return to the New York tracks next season.

James Carruthers, who was the partner of Alex Shields at the time the firm owned Advance Guard, is spending the winter at Pasadena and expects to see much of the racing here.

Spence Sutherland, the steeplechase jockey who was suspended here last season, is seeking reinstatement. He is at present at Santa Monica in charge of a trio of jumpers.

It is said to be the intention of "Lucky" Baldwin to retire Cruzados permanently to the stud at Santa Anita next spring. His first crop of two-year-olds will race in 1907.

### TALK OF WEEK DAY RACING AT ALGIERS.

New Orleans, La., November 28.—There is a rumor affoat that the management of the track at Algiers, where Sunday racing is held, is figuring on opening the plant on week days. They are said to be entertaining the belief that there are numerous persons who are not attending the Fair Grounds because of the increased admission fee.

### MITCHELL TO RIDE AT NEW ORLEANS.

New York, Nov. 28.—Jockey Mitchell, well known and popular in this country a few years ago, has returned from Austria and will ride at New Orleans this winter. He can ride at less than 110 pounds and expects to have good success. Mitchell rode in Russia for two seasons.

### HISTORY OF THE THANKSGIVING HANDICAP.

The Thanksgiving Handicap at Oakland has its sixth running today. The similarly named stake to be run at New Orleans today is a new stake. At Ascot Park the Jonathan Club Handicap has been run but once previous today. Good horses have always figured in the Oakland event, that high-class one Claude having won it twice in succession, each time preventing Fossil from being returned the winner. A three-year-old won it in each of its first three years of running. Its record is as follows:

## HARD RAIN AND MUDDY TRACK AT OAKLAND. Judges Order that Van Ness Be Returned to S. C. Hildreth—Thirty-Four Books On.

Oakland, Cal., November 28.—The rainy season hereabouts, with an unusual cold snap accompanying, was ushered in today. The precipitation began at one o'clock this afternoon and continued until evening. The Oakland track was quickly converted into a shallow, muddy canal. Few of the entries were scratched, however, and average good racing resulted. First and second choices monopolized the card, with the solitary exception of the fifth race where the luckless horse Military Man, at prohibitive odds, ran third to a couple of long shots—Prestige and Dorado.

At today's "cut-in" thirty-four bookmakers were assigned positions in the betting ring.

The horse Van Ness, claimed out of the second race last Monday, has been ordered returned to his former owner, S. C. Hildreth as a result of the latter's protest that Libervale, the entry of Berger & Co., the claimants, was not properly registered. Brussel, the rider of Dorado in the fifth race, was fined \$25 for cutting across horses in the stretch. Hildebrand fainted yesterday because of too much reducing.

H. R. Meyer and Joe Magee are the latest arrivals from the east.

#### ENGLAND'S GREATEST MATCH RACE.

The fact that Colonel Hall Walker refused to match his crack two-year-old, Polar Star, against W. Raphael's Sagamore, at a difference of 7 pounds, on the ground that the former had finished the season, has led an English paper to refer to great matches of the past. The greatest match ever run in England was that between The Flying Outchman and Voltigeur at York in 1851. Both were Derby and St. Leger winners in successive years, and the match was the outcome of the "Dutchman's" defeat in the Doncaster Cup. was really a match, and it was the only defeat sustained by The Flying Dutchman throughout his career. The latter belonged to Lord Eglinton and Voltigeur to Lord Zetland. The pair immediately matched their horses for 1,000 guineas a side over two miles. It was a terrific race, with Voltigeur making the pace as hot as he could. He was beaten a length, however, after one of the greatest contests in the history of the sport.

It was at York, too, that a most peculiar match was brought off. Mr. Flint's Thorneville was matched against Colonel Thornton's Vingarillo, the former being ridden by his own owner and the soldier's horse by his wife. They rode at catch weights over four miles, certainly a longish journey for a member of the weaker sex. Mrs. Thornton had no chance of showing her prowess, as her saddle slipped shortly after starting, and the other cantered home in his glory. Betting was heavy in those days, and it is said that nearly a quarter of a million of money changed hands over the race. The match had an unfortunate sequel, as Colonel Thornton forgot to pay the stakes and was horse whipped, a luxury which cost his opponent £500 in a court of law. On the day of the assault Mrs. Thernton won a match on her husband's Louisa.

### BALDWIN TO TAKE ALL UNSOLD STOCK.

"There is but a small amount of the stock in the Baldwin Racing Association left to be sold and 'Lucky' Baldwin has told fine that he will take all stock that we have not sold by January 1," said Clem Creveling to a Los Angeles News reporter. "The plant will be completed and ready to turn over to the association by March 15, and all contracts will be awarded within a short time. We have passed the preliminary stage and are now down to that point where only the final details are to be arranged before the contracts are to be awarded and the work begun."

### PALLADIA PROVES TO BE A STAYER.

'Talking of winning in mud, Palladia, a threeyear-old daughter of Islington rather surprised people by winning a two-mile hurdle race at Chalms ford, for she is a light little filly, nothing of her in fact, added to which she is a poor feeder," says an English racing critic. "Yet she beat eleven othersseven of them older horses—in really good style by a couple of lengths, carrying 142 pounds and inci bringing off a 6 to 1 chance. The class of course, was poor, otherwise she would have figured at much longer odds. Her dam, Palotta, is by Gallinule out of Maid of Kilcreene, by Arbitrator, and as Islington is own brother to Isinglass, this looks as if Palladia ought to stay, but as a matter of fact she never ran in a longer race on the flat than seven furlongs and won nothing."

Islington is now in America for the second time, having been brought over during the summer by H. T. Oxnard. It has not been determined whether he is to stand in Virginia or in Kentucky next season.

# Eighty-six Youngsters from Which the Field Will Come—Many of Them Are Maidens.

The Crescent City Derby, which has a guaranteed value of \$10,000 and which is to be decided at the Fair Grounds track in New Orleans Saturday, March 23, over the mile and an eighth route, closed with eighty-seven nominations. The death of J. H. McCornick's Fish Hawk leaves the number of eligibles at eighty-six. The list, together with a record of their performances, is as follows:

### YOUNG BUXTON IS A "RAIL RIDER."

M. Buxton, who is a brother to the former jockey C. Buxton, rode his first winner when he came home in front with Briers at Oakland last Friday. The San Francisco Chronicle's racing man says the youngster did not ride a bad race, as he came through on the rail in the stretch and beat Fisher Boy a head.

### NOVEMBER CHART BOOK READY SATURDAY

The monthly book of charts for November will be ready for distribution Saturday morning.

#### FOUR FIRST CHOICES FAIL

SIR TODDINGTON AND BERTHA E. ARE THE DAY'S GREATEST DISAPPOINTMENTS.

#### L. S. B., Bred in Louisiana, Wins the Race for Maidens—Jockey Diggins Is Suspended—

Jockey Hogg Is Injured.

New Orleans, La., November 28 .- While there were some close finishes at the Fair Grounds today, the racing was not of a high order. There was a general miscarriage of form to the financial detriment of the greatest number of the betting element. Four heavily supported favorites failed their backers. Sir Toddington and Bertha E., both at odds-on, caused more dissappointment than any others of the defeated choices. The former was outpaced by Colloquy from the start and weakened near the end, permitting De Oro to hold him in the final strides for second place. Owner Burlew tried even up losses sustained on Sir Toddington by betting \$2,000 on Bertha E. The filly put up a poor performance, failing to finish in the money. In the opening race fourteen maidens faced the starter. Allonby was backed as if the race was all over. He was away poorly and closed up a big gap, but pulled up lame. L. S. B., bred by P. A. Renaud in Louisiana, took the purse by a nose from Judge Burroughs, which was the same margin in front of Gold Circle. Abjure, which gave much promise here in the spring, landed the purse in the fifth race The smart contingent profited handsomely by the filly's victory.

Today's attendance was small and speculation light as compared with the three previous days. Twenty bookmakers applied for stands for the next three days. This includes the two field books.

three days. This includes the two field books.

The judges suspended jockey Diggins for the remainder of the meeting for striking jockey A. Martin shortly after dismounting in the fourth race. Jockey Truman was suspended for one week by the starter for disobedience at the post in the fifth race.

Jockey Hogg had his left ear almost torn off this morning. He was galloping a horse that collided with another and fell. The accident will keep the boy out of the saddle for some time.

John Murphy has arrived from Memphis with ten horses owned by L. A. Cella. D. B. Freeman and W. L. Cramer are also here with their horses.

H. McCarren, Jr., is reported as owning the fast.

H. McCarren, Jr., is reported as owning the fastest yearling filly at City Park. She was timed a quarter this morning in 23 seconds. She is by Hapsburg—Bandoral and her name is Miss Hapsburg.

# ROSE SAYS A NEW LOCATION IS CERTAIN. Next Racing Ground of Los Angeles Jockey Club Will Be Well Away from City.

Los Angeles, Cal., November 28.—George Rose, who is one of the chief stockholders in the Los Angeles Jockey Club, says the club anticipates no difficulty in carrying out its plans for ninety days of racing at Ascot Park, but he says it is evident to him that the club will be forced to seek another location for its racetrack next season. Several locations are available, but none has been seriously considered as yet, and will not be until the directors take definite action in the premises.

Mr. Rose assuredly is a law and order man, as he says that Aseot Park would not run in opposition to the law, but would seek to prevent any contingency that might make the future of the track even uncertain. Had all legal resources failed in saving to the club the privilege of running this winter, there would have been no attempt to defy the law and all talk of making raids upon the tracks are considered by him as uncalled for, inasmuch as the club never has entertained an idea of defying the law.

There has been much speculation as to the location that will be selected for the Los Angeles Jockey Club's next track. The general impression prevails that the track will be located at Venice. This may be the result of the efforts of the club to secure a site that will meet the requirements in a satisfactory manner, but Rose is opposed to going to the seaside because of the belief that the soil is not of that nature upon which a good track could be built.

Assuredly, a site will be selected that is far enough removed from territory that is being considered as desirable for annexation to avoid any future embarrassments of the nature of that through which the jockey club is passing at this time. Talk of a consolidation of the Los Angeles Jockey Club and the Baldwin Racing Association is premature, at least, as none of the officials of the rival tracks has discussed the subject and all deny that the subject has even been considered. Such a thing is not beyond the range of possibility, but at this time it is far from the thoughts of the interested persons.

### DAN ROSS IS STILL AFTER TOBE RAMSEY.

Dan Ross has not buried the hatchet in his feud with Tobe Ramsey. Ross bid up Judge at Oakland last Friday and it cost Ramsey \$400 to retain the horse. Ramsey took Grasscutter away from Ross in a selling race at Seattle, and this is the reason Ross is after Ramsey's scalp.

Daily Racing Form will publish from time to time table of the rating of the jockeys riding on American tracks, based on their performances in the saddle. The best riders will be given the uniform rating of 100, and from that point the others will be graded down according to their estimated relative skill. For a difference of five points between the jockeys, three points change in the handicap figures assigned the horses in any race must be made. Only riders frequently in the saddle will be given a place in the tables. The following is the present rating:

Canique, from a striding start, helped force the pace, drew out in the stretch, won running off and is very promising. Furze, away slowly, closed a big gap and put up a fast finish, but could not get up. Como also suffered at the start, but got to the forward contenders quickly and came at the end with a rush. Fred Mulholland, from a flying start, showed early speed, but failed to stay. F. Neugent, away very badly, closed a big gap. St. Elmwood, nearly left, could not stride freely in the going, but made up ground. The others were beaten off.

Scratched—65610°Gromobol, 114; 65623 Red Ball, 109.

Overweights—Como, 2 pounds; F. Neugent, 3; L. C. Ackerley, 5.

Went to post at 3:00. At post 2 minutes. Start good. Won in a canter; second driving; third the same. Jackfull jumped into the lead at once and, drawing far away, spreadeagled the others and was much the best. Bearskin maintained nearest pursuit of the winner and put up a game closing drive. Iras came with a rush from the rear and finished going like a cyclone. Trapsetter showed early speed and probably was short. Chablis finished well. Bonar, nearly left, closed a big gap. Dorado, always well up, finished wearing the winner down. Military Man dropped back in the early running and closed a big gap, but could not quite get up. Alice Cary ran in close pursuit for seven furlongs and tired badly. Duelist finished well from a bad send-off. Ralph Young closed a considerable gap.

Winner—B. f. by Ian—Stanhope Gate (trained by W. Brooks).

Went to post at 2:30. At post 3 minutes. Start good. Won driving; second the same. Sophic Carter quickly raced into the front division and, coming fast through the stretch, managed to win out after being bumped by Bright Boy. The latter followed Narelle closely and took the lead in the stretch. but crowded Sophic Carter against Sally K. so abruptly that the latter was forced to be pulled up and for this was disqualified. Sally K. was best, ran well and would have won but for being fouled. Turbulence ram well throughout. High Jumper was never a dangerous contender. Narelle showed the most early speed, but quit in the stretch.

Scratched—65666 Ambush, 99; 65666 Sphinx, 99; 65318 Jobstown, 99.
